Cuando todo encaja

En CHAVESBAO somos distribuidores de **tornillería y soldadura referentes a nivel nacional e internacional** en el sector ferretero, de construcción, agrario, eólico, solar, de industria y automoción. Más de 50 años de experiencia, junto a la cercanía y el compromiso con la calidad, nos han llevado a ser quienes somos.

Escuchamos y asesoramos a cada cliente ofreciendo **soluciones globales de tornillería y soldadura adaptadas a sus necesidades**. Y es en el servicio donde está el centro de nuestro compromiso. Porque cuando nos comprometemos con el servicio, garantizamos que todo sea posible. En definitiva, hacemos que todo encaje.

Quand tout s'assemble

Chez CHAVESBAO, nous sommes des **distributeurs nationaux et internationaux** leaders dans les secteurs de la quincaillerie, la construction, l'agriculture, l'énergie éolienne, solaire, l'industrie et l'automobile. Plus de 50 ans d'expérience, de proximité et d'engagement pour la qualité ont fait de nous ce que nous sommes.

Nous écoutons et conseillons chaque client en lui proposant des **solutions globales adaptées à ses besoins**. Le service est au cœur de notre engagement. Parce que lorsque nous nous engageons à fournir un service, nous nous assurons que tout est possible. En somme, nous faisons en sorte que l'harmonie prenne le dessus.

When everything fits

At CHAVESBAO we are distributors of **reference at a national and international level** in the hardware, construction, agricultural, wind energy, solar energy, industrial and automotive sectors. Over 50 years of experience, along with proximity and commitment to quality, have led us to be who we are.

We listen to and advise each client, offering **complete solutions adapted to their needs**. Service is at the centre of our commitment. Because when we commit to service, we guarantee that everything is possible. Ultimately, we make everything fit.
